### MESSAGES FROM CO-PRESIDENTS

Hello fellow artists,

Over the past two years I have enjoyed the rewards and challenges experienced serving as **co-president** for Olney Art Association. My term ends in December and I look forward to passing on what I have learned to a new person at our January meeting. **Although I will not be accepting another term as president, I am willing to continue as web tender, follow the new exhibits instituted during this time and mentor anyone who accepts this position.** The way to keep Olney Art growing is to go forward with new ideas and leadership so our organization remains a vital part of the community. I welcome the opportunity to speak with anyone who may consider taking my place. Thank you for your support.

*Sincerely, Sherry Jose'*

My position(s) as **co-president** and **newsletter publisher** also needs to be filled effective January 2013, as my husband and I plan to relocate from this area. For the past 16 years, as a member of OAA, I have truly enjoyed being a part of such an inspiring and motivating organization. I hope that many of you will volunteer to lead and help lead OAA in its quest for fine artists and educational opportunities.

Below are the positions open for the 2013—2015 term. Please contact either Sherry or me with your nominations or to volunteer for one of these positions. Thank you.

- (2) Co-Presidents

## OAA FEATURED ARTIST

Debbie Miller

Debbie Miller earned her Bachelor of Fine Arts Degree from Ohio Wesleyan University, with a major emphasis in silk screening and interior design. Soon after graduating, her interest in oil painting was ignited.

In recent years, her creative journey has moved from studio painting to painting plein air. "There is something quite captivating about painting out of doors. The challenges and delights of standing in nature abound. Once the easel is set up, and the painting begins, it is as if time stands still. I also gain a greater sense of my connection to that which is greater than me, our Creator. My work is done from direct observation whether I am painting a studio set up still life, or plein air landscape. In all areas of painting, I try to see beyond the local color to the effects that light has on color, painting what I see, while developing an interesting composition."

"Those beautiful patterns, which through the medium of men's souls are conveyed into their artistic hands, emanate from that Beauty which is above our souls." *Augustine*

### VINCENT VAN GOGH (1853-1890)

Van Gogh was the Dutch-born son of a minister. Although he had always been interested in art, he first attempted to enter the clergy, but his temperament was not suited for it. He moved to Paris and was in touch with many of the impressionistic painters. This introduction to vivid color and to impasto plein-air paint application was the major influence on his painting career. He was a highly sensitive and intelligent individual and a master colorist.
